Proposed works

Please provide a detailed description of works being undertaken and materials used:

You must provide the following when you submit your application:**Planning documents - your planning documents must include:**

- + Building plan.
- + Site plan (include elevations with dimensions of the distance of proposed structure/works from property boundaries).
- + Footing/foundation designs (i.e. drawings showing angle of repose).
- + Structural details of the proposed building or works being applied for.
- + Plan showing GWW's assets in relation to your building/works.

Payment

- + Complete the credit card payment voucher.

Your application will not be processed until we have received your plans and completed forms.

Acknowledgement

I understand and acknowledge that:

- + The information provided in this application is true and complete to the best of my knowledge.
- + GWW may refuse this application if it becomes evident that any information or supporting documents provided is incomplete or false.
- + I approve of the information that has been provided details of the structure to be built and its relationship to the allotment boundaries. The application will not be processed without this information.
- + If, in the opinion of GWW the information provided is insufficient to fully assess this application, you may be required to provide further details of your proposal. This may delay the processing of the application.
- + GWW's acceptance of this application and fees for processing is not to be considered as consent to build any structure over the pipe and/or easement, and only relates to this application.
- + Where an application is made by an agent of the owner, the agent warrants that it makes, and has full authority from the owner to make, this application on behalf of the owner. The agent also agrees to provide a copy of this application form and all conditions of consent to the owner.
- + Where an application is made by an agent of the owner, the agent authorises GWW to provide any information relating to this application and erection of the structure to the owner.
- + Construction over a GWW assets or within GWW easement without consent is an offence under section 148 of the *Water Act 1989 (Vic)*.
- + By lodging this application, I do so as the property owner (or am authorised by the owner) and will therefore be responsible to meet all of GWW's requirements as specified and will obtain all appropriate permits prior to any works commencing.

I confirm that I have read and understood all the statements above.
